### **Become a Member of the LGEF Business Program!**

Please join me in supporting LGEF's 2009 Annual Campaign. Our goal again this year is to raise \$825,000 for science, art, music, technology and other core programs for the 2009-2010 school year.

Los Gatos is a great town and great place for you business, but we have severe school funding issues. I'm sure you are well aware of California's budget woes. It is our hope that in these tough economic times you will continue to keep the children in our community your #1 priority.

As in past years, LGEF is offering a special membership program for local businesses. The program includes a unique opportunity for you to advertise and promote to Los Gatos and Monte Sereno families throughout the year.

Our schools are at the heart of our community. As a business leader, you know how much a healthy school system can contribute to the success of your business, to property values and to better quality of life. Participation is key and a donation at any level is greatly needed. LGEF is a non-profit 501c foundation that also helps you promote your business to over 3000 local families throughout the year.

Please take a moment to look through the enclosed brochure and see how your contribution will be used to help fund a top-notch education. For more information, log onto our website at [LGEF.org/businesspartners](http://LGEF.org/businesspartners) to gain details on this year's program or feel free to give me a call.

**Our deadline for next year's Buzz Book is May 31st!**

Thank you again for supporting LGEF. Your contribution helps improve the quality of education in our schools. Please feel free to contact me at anytime

Sincerely,

Bill Rehbock
